

### What students need to learn

Students need to develop language skills that enable them to communicate effectively, accurately and confidently in spoken Spanish. They must ensure that they apply their listening skills in this task to permit natural and logical interaction.

A maximum of 50 marks will be awarded positively using the assessment criteria grids in Section 3.4.

The assessment criteria reward students for:

- **response** (initiative, development and abstract language) — AO1 (20 marks)
- **quality of language** (pronunciation, intonation, vocabulary, idiom, range of lexis, application of grammar and structures as listed in *Appendix 4: Grammar lists*) — AO3 (7 marks)
- **reading and research** (knowledge of issue and other topics) — AO2 (7 marks)
- **comprehension and development** (understanding and ability to deal with questioning) — AO1 (16 marks).
